**Clarifications on queries raised during Pre-Bid Conference held on 16<sup>th</sup> September, 2016 at SUDA office for  
Tender Reference No. – 01/RICKSHAW-YOJNA/UPGOVT/2016**

Sr. No.	Queries raised	Clause No./Page No.	Clarifications
1	<p><u>Consortium is not allowed.</u> Whether Group Companies, who wish to jointly bid for the Tender will be treated as Consortium? (By Kinetic Green Energy &amp; Power Solutions Ltd)</p>	<p>Clause No. 6.1(a)(iv)(c)</p>	<p>Consortium is not allowed. The group companies willing to bid jointly for the Tender shall be treated as Consortium</p>
2	<p>What is the formula of calculating Average Annual Turnovers for the last three years? (By Kinetic Green Energy &amp; Power Solutions Ltd)</p>	<p>Clause No. 20.8</p>	<p>Sum of Annual Turnovers during the last three financial years i.e., 2013-14, 2014-15 &amp; 2015-16 divided by 3</p>
3	<p>Should 10,000 E-Rickshaws be delivered by the Successful Bidder within the period of 45 days from the date of issue of Purchase Order or date of signing the Contract Form? (By Kinetic Green Energy &amp; Power Solutions Ltd)</p>	<p>Section IIIB: Schedule of Requirements. (Annexure B)</p>	<p>Question is imaginary. Supply would be as per Purchase Order. Supply of no. of E-Rickshaws will be as mentioned in the Purchase Order and action if required will be taken as mentioned in the Tender Document.</p>
4	<p>What is the assessment mechanism of SUDA to determine whether the technically qualified bidder/s have the manufacturing capacity to supply 10,000 E-Rickshaws within 45 days of issue of Purchase Order/signing of Contract Form? (By Kinetic Green Energy &amp; Power Solutions Ltd)</p>	<p>Section IIIB: Schedule of Requirements. (Annexure B)</p>	<p>Question is imaginary and does not require answer. To fulfill the need, action would be taken as per Tender Document.</p>
5	<p>What would be the consequences if the Successful Bidder does not have the capacity to supply 10,000 E-Rickshaws within 45 days of the issue of Purchase Order and what will be SUDA's plan to action with respect to the requirement of 10,000 E-Rickshaws thereafter? (By Kinetic Green Energy &amp; Power Solutions Ltd)</p>	<p>Section IIIB: Schedule of Requirements. (Annexure B)</p>	<p>Please refer to point no. 19, 20 &amp; 21 of the Tender Document about the delivery of E-Rickshaws, liquidated damages and termination for default.</p>
6	<p>Exemption on applicability of VAT given under Gazette Notification No. KA.NL.-2-1291/XI-9(150)/15-U.P. Act-5-2008-Order-(139)-2015 dated September 11, 2015 applicable to Motor/Battery Operated Vehicles distributed/for distribution in the State of Uttar Pradesh under the scheme of free distribution of Motor/Battery Operated E-Rickshaw to urban Rickshaw Pullers. Clarify whether the said exemption/notification would also be applicable to E-Rickshaws distributed under this Bid (By Kinetic Green Energy &amp; Power Solutions Ltd)</p>		<p>VAT is exempted under the said Gazette Notification by the UP Government.</p>

7	What is the minimum no. of Bidders required to qualify in Technical Bid in order to consider the Tender/Bid to be responsive? (By Kinetic Green Energy & Power Solutions Ltd)		At least 3 Bidders who qualify in Technical Bid in first response of the Tender.
8	<u>On Battery specification.</u> Specifications whatever mentioned in Point No. 12 of Technical Specification Tables and Point No. E (Storage Battery) seems to be contradictory. Please clarify.	Technical Specification Table of Page No. 7, 17, 37,44 & 57 and Point No. E of Page No. 9, 19, 40,46 & 60	The battery shall be lead-acid and EV grade traction battery used in battery operated vehicles.
9	Need clarification about the payment for the E-Rickshaws would be released in parts as per supplies made. (By OK Play India Ltd & Kirti Solar Ltd)		Please refer to point no. 14 of page no. 29 of the Tender Document
10	Suggestion for visit to the plant of the technically qualified Bidders. (By OK Play India Ltd)		Visit to the Manufacturing Plant of only successful Bidder (the Bidder who qualifies in Financial Bid) would be done.
11	Request for extension of deadline for submission of the Tender Document. By Kirti Solar Ltd. & Kinetic Green Energy & Power Solutions Ltd.		Date shall not be extended.
12	Minimum manufacturing experience required for this Tender is of the last three financial years and CVMR came into effect from 8 <sup>th</sup> October 2014. Request to amend the technical requirement of the same. (By OK Play India Ltd & Kirti Solar Ltd.)		It is clarified that manufacturing experience of minimum 3 years including registration of the company should be more than 3 years before and its working experience is countable if the company has worked in automobile sector.
13	The overall design states that E-Rickshaw has to be fabricated with good quality steel. However FRP body is also approved by ICAT. Request to allow FRP or any other approved material. (By Kirti Solar Ltd.)		Technical specifications shall be as per Tender Document.
14	Under CVMR rules all vehicles are required to be registered, please clarify the registration scope and process for the vehicle for this Tender. (By Kirti Solar Ltd.)		After the supply of vehicles minimum 10 days training should be given to the beneficiaries and the E-Rickshaws should be registered in the concerned RTO.
15	Please allow only those vehicles only in which front windscreen and wiper has been approved along with the vehicle at the time of ICAT approval. (By Kirti Solar Ltd.)		Front windscreen and wiper will be as per specifications mentioned in Technical Specification Table.
